

FUSIONMAX™ 32:9

FEATURES & BENEFITS

Primeview's new line of 32:9 Aspect Ratio LED solutions includes the world's most flexible, Ultra HD, bezel-free panel display technology, and eliminates the concerns required with other video wall solutions.

Available with **1.2mm / 1.5mm / 1.9mm / 2.5mm** LED, it excels as a solution for fan experience digital signage, up-close presentations, and virtually everything in between. The standardization of these systems means it can be installed in a wider variety of spaces for maximum impact of Executive Boardrooms and Classrooms to allow for dual presentations to take place simultaneously.

INDOOR LED DISPLAY

The building block of the FusionMAX™ Series of turn-key LED solutions are the Fusion Line of new LED. This is comprised of front-serviceable Fanless cabinets from 0.9mm and 2.5mm Fusion LED. All Fusion LED comes standard with 3-in-1 Integrated Board Design (Power, Receiving Card & Bridge-board), 100k hours rating, 160/160 wide viewing angles, wall-mounted framing accessories, trim kit/cladding and no-hassle 5-year onsite parts and labor warranty.
